Job Title: Maintenance Supervisor

Location: Palmetto Park Apartments
Clearwater, FL 33755

Hours: Full-time 40 hours a week

Job Description:

HallKeen Management has an opening for an experienced and motivated Maintenance Supervisor to oversee all maintenance responsibilities for a 179 two and three bedroom market and tax credit property. This property is located just miles from the world famous Clearwater Beach and is currently undergoing a major rehabilitation of many of their units.

The responsibilities of the Maintenance Supervisor are wide-ranging and quite diverse. The Maintenance Supervisor is responsible for developing, presenting and managing the maintenance budget, establishing and adhering to a preventative maintenance schedule, meeting turnover time requirements, reviewing vendor contracts, obtaining competitive bids for work need on site and overseeing vendors working on site.

The Maintenance Supervisor will manage a staff of Maintenance Technicians and will handle all responsibilities associated with the maintenance of this property. Some duties include, but are not limited to, handling daily service requests, turning over apartments for occupancy; basic janitorial duties including garbage removal, maintaining or replacing appliances, fixtures and switches; working with contractors as necessary; providing corrective maintenance; providing preventive maintenance; inspecting apartments, buildings and/or grounds as necessary; replacing/maintaining smoke detectors, circuit breakers and outlets; providing touch-up paint; changing window screens and glass; providing cosmetic repairs within apartments and common areas; participating in the rotation of on-call emergencies after hours and weekends using the necessary safety attire and/or equipment; performing other duties as they arise.

Candidate must have 5 years of property maintenance experience and must have previous supervisory experience in overseeing staff. Candidate should have strong organizational skills with the ability to multi-task and will take ownership of all maintenance responsibilities as they relate to this property. Candidate should be results driven and possess the ability to work within a budget. Candidate must have working knowledge of current safety practices and regulations (OSHA), grounds maintenance, plumbing, heating and electrical systems to handle service calls and maintain vendor relationships. HVAC licensure is required and must be submitted with resume. Candidate should have experience using residential maintenance software, Word, Excel and communicate via email.
