Welcome to Corcoran House!

Corcoran House is an assisted living community born out of the restoration of a historic schoolhouse in the middle of Clinton, MA. Opened in 1998, the house features 42 apartments and features a staff of trained professionals.

At Corcoran House, you're part of a vibrant community of friends, family and staff. You'll enjoy a lifestyle free of household chores and maintenance so that you may pursue lifelong interests or discover new ones. It's why we believe that Corcoran House is not just a place to live; it's a way of life.

"I can't tell you how much Corcoran House has turned out to be such a lifesaver for our entire family. My Mom did not want to leave her house, but we knew it was time. She needed daily help and friends to talk to. She lived alone and we all had jobs and families to attend to, so it was becoming very hard to make sure she was healthy and happy. Once she arrived at Corcoran House, she became a different person. She's so happy and it's such a huge relief to us all. We can't say enough good things about Corcoran House. It's a wonderful, close-knit community of friendly and helpful staff."
